 - **Metal Case:** 1.5mm thickness (minimum)
2. High-speed Thermal Printer
 - **Printing Speed:** Minimum 200 mm/sec
 - **Paper Size:** Width: 80 mm, Printing Width: 72 mm, Thickness: 59-150 micrometer

Scope of Work:

- Supply and delivery of fully functional customer service terminals and high-speed thermal printers to addresses mentioned in Annex D.
- Vendor must ensure all equipment is fully operational and ready for use upon delivery.

Deliverables:

- Fully functional monitors delivered and mounted as specified
- Installation and configuration report, including serial numbers and functionality confirmation
- Training completion report detailing attendees and topics covered
- Maintenance and support plan (minimum 1 year)

Timeline:

- The delivery should be completed within **60 calendar days** from the date of contract signing.
- Any delays or non-compliance with the timeline must be communicated in advance and may result in penalties.

Delivery Addresses: (See Annex D)

Additional Notes:

- Vendors must provide detailed technical specifications and compliance certificates for each item.
- Warranty and support: Minimum 1-year warranty required for all products. Vendor should offer technical support for installation and troubleshooting.
- Delivery fees must be included in the total budget.
- Delivery timeline and terms should be clearly stated in the vendor's proposal.
