**2001 UNHCR Population Statistics (Provisional)**

**Table 1. Population of concern to UNHCR by location, sex and age, end-2001**

Data are provisional, subject to change. Date of query: 22 May 2002.

Total population: population size at location. The population by location does not necessarily equal the total population of concern in the country.

UNHCR Bureau/Operation: Central Asia, South West Asia, North Africa and the Middle East (CASWANAME); West and Central Africa (WCA); Great Lakes Region, East and Horn of Africa (GLR-EHA); the Americas (RBAC); Asia and Pacific (RBAP); Europe (RBE); Southern Africa (SAO); South-Eastern Europe (SEO)

Asylum country: UNHCR standard country code.

Location type: C=Camps/centers; U=Urban; R=Rural/various/other/unknown.

Name of location: as provided by UNHCR country offices.

Source: UNHCR/Governments. Compiled by: UNHCR, Population Data Unit, PGDS.
