Greece****- CLARIFICATIONS -**

---

**Questions - Answers****Q1** : Please specify the estimated annual quantity for sanitary napkins?

The estimated annual quantity for sanitary napkins is 10,000 packs. Proposed packs should contain 12-18pcs. Quantities are stated in order to enable bidders to have an indication of the projected requirements, it does not represent a commitment that UNHCR will purchase the full quantity of items. Quantities may vary and will depend on the actual requirements and fund available regulated by issuance of individual Purchase Orders.

**Q2** : Are alternatives to the proposed items accepted?

As per the cover letter of the tender below you may find the quote for alternative items

In case that an alternative product is proposed, the supplier shall clearly indicate the description of the offered item in the technical proposal and provide detailed comparison with the one requested by UNHCR.

Based on the technical offer submitted, UNHCR technical committee will access the alternative products on the evaluation stage as per the tender requirements.

**Q3** : Does the company need to be registered in Greece in order to participate in this tender?

Is it not strictly necessary for the company to be registered specifically in Greece. Companies registered in any European Union (EU) member state are also eligible to participate. The proposed goods should be customs cleared within the European Union (EU).
