Millions of refugees and displaced will benefit from Sweden's latest contribution to UNHCR: 400 million \$ over 4 years. Flexible funds to be used where they are most needed including in underfunded crises. This is generous and exemplary donorship. Thank you 🇸🇪!

In Bangladesh, we and [#Rohingya](#) refugees are working to prepare for monsoon season.

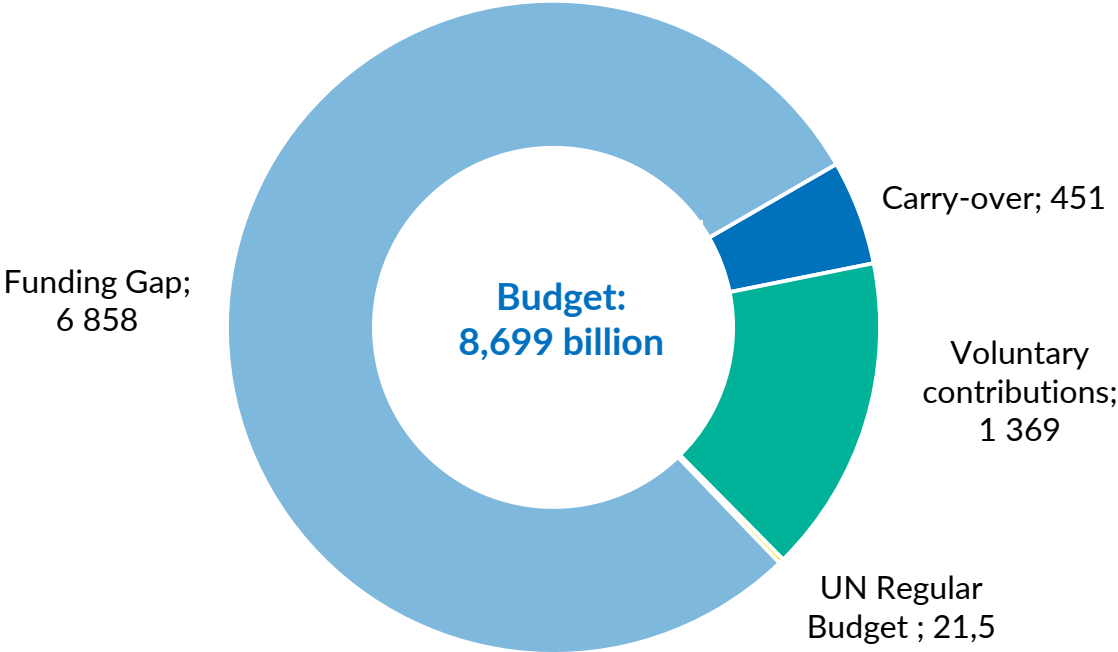

Generous \$50 million in US support from [@StatePRM](#) to aid agencies will help us when the rains come. Thank you.
