

H.E. Sheikh Thani Bin Abdullah Al-Thani is not only well-known for his generosity but also his personal engagement and philanthropy towards those in need globally.

In 2019, the Thani Bin Abdullah Bin Thani Al-Thani Humanitarian Fund through UNHCR has supported close to one million displaced populations in Yemen and Bangladesh in the form of Zakat funds.

We are impressed with, and indeed commend the great efforts and professionalism of the UNHCR and its field staff such as the appropriate targeting of the needy and the transparency of the distribution which are especially appreciated.

His Excellency Sheikh Thani Bin Abdullah Al-Thani commits to continue the support of displaced persons globally, and through UNHCR as well as the other reputable international humanitarian organizations and thus encourage our networks to follow suit.
