(Q&A)**

REQUEST FOR QUOTATION No: 24-012

**FOR THE ESTABLISHMENT OF A FRAME AGREEMENT FOR THE PROVISION OF MEDIA
MONITORING SERVICES TO UNHCR ROMANIA**

CLOSING DATE AND TIME: 28 July 2024 – 23:59 HRS BUCHAREST LOCAL TIME

Question 1:

We are interested in bidding for the recent procurement opportunity listed by UNHCR. We have a team of local analysts with extensive expertise in the region and would like to clarify if local registration in Romania is a mandatory requirement to bid for this service. Understanding this will help us better prepare our bid and ensure compliance with all necessary regulations.

UNHCR feedback:

Local registration is not mandatory, meanwhile you will need to demonstrate the capacity to perform the requested tasks in the RFQ.

Question 2:

Please consider changing the period for model requested reports to a period after the announcement has been sent so that all potential participants have the opportunity to make the necessary settings. We are looking forward to your answer and we would be very happy if this request could be accommodated.

UNHCR feedback:

In order to have a fair opportunity to all potential bidders, UNHCR will keep the same reporting periods mentioned in the original RFQ notice.
