INTRODUCTION TO UNHCR

In almost seven decades, UNHCR has helped tens of millions of people restart their lives. Today, a staff of more than 20,000 people in 135 countries continue to help more than 110 million globally displaced persons. To help and protect some of the world's most vulnerable people in so many places and types of environments, UNHCR must purchase goods and services worldwide. For further information on UNHCR, its mandate and operations, please see <http://www.unhcr.org>.

1. REQUIREMENTS

PSP Canada is looking for the establishment of Frame Agreement with a TV media buying agency to support in the purchase of media across stations in Canada, to:

- Air spots which procure for UNHCR regular and one-time gift donors at a positive ROI (return on investment);
- Maximize cost efficiencies (cost per spot and cost-per-thousand) and deliver converted response at the lowest possible cost;
- Develop test matrices (time-length, ask amount, response mechanism) to optimize the performance of the program;
- Recommend a media spend plan that helps us grow a set of core stations through thoughtful station testing.

The agency's goal is to develop, implement, execute, test, and optimize the most effective media-buying strategy to achieve the greatest possible impact for a given fundraising budget.

Overall PSP Canada expects from the company to deliver on or exceed annual budget goals whilst maximizing ROI.

The Frame Agreement will be signed with the successful bidder(s) for a period of three (3) year with the possibility of further extension for two (2) additional periods of one (1) year each:
