**SMS INBOUND AND OUTBOUND SERVICES FOR UNHCR PRIVATE SECTOR
PARTNERSHIP IN DENMARK**

CLOSING DATE AND TIME: 25TH OF OCTOBER 2024 – 23:59 pm CET

INTRODUCTION TO UNHCR

In almost seven decades, UNHCR has helped tens of millions of people restart their lives. Today, a staff of more than 20,000 people in 135 countries continue to help more than 110 million globally displaced persons. To help and protect some of the world's most vulnerable people in so many places and types of environments, UNHCR must purchase goods and services worldwide. For further information on UNHCR, its mandate and operations, please see <http://www.unhcr.org>.

UNHCR has an ambitious Private Sector Partnership (PSP) program which endeavors to capitalize donations from private-sector donors, through a variety of channels including Face-to-Face, Direct Mailing, DRTV, Digital channels and Telemarketing. Fundraising in Denmark includes all channels except for Face-to-Face. As part of the international UNHCR PSP strategy, and to build a good relationship with new and existing donors, increase donors' retention and maximize contributions, PSP Denmark is pushing a lot to increase its Telemarketing program.

1. REQUIREMENTS

UNHCR Denmark is rapidly growing its fundraising programs, with active acquisition programs for new monthly and one-time donors. To support our acquisition and retention efforts we are looking to increase the use of SMS inbound (payment) and outbound services from which we have historically seen positive return on investment.

The UNHCR PSP team in Denmark is looking for a competent in-country, external provider for the provision of SMS inbound (payment) and outbound services for two (2) years plus one (1) year extension upon satisfactory performance. The service commencement date is upon completion of the selection process, tentatively from January 2025:

Phase 1 – 1st of January 2025 – 31st of December 2026 (2 years)

Phase 2 - 1st of January 2026 – 31st of December 2027 (1 year)

The implementation of the SMS gateway is set tentatively in January 2025. It should be noted that integration to Salesforce is not part of the initial start-up but will be conducted at a later agreed date between PSP Denmark and the selected Supplier.

The service provider(s) will be asked to maintain their proposed pricing structure for the contract. In case of 4T fee will change throughout the years, this fee will be adjusted in the winner company's financial offer, upon discussion and approval granted from PSP Denmark. PSP Denmark is looking for

contracting more than one service provider to have a main and back-up vendor for the services, if possible.

The providers are expected to have a sound knowledge of the Danish fundraising market and collaborate efficiently and professionally with the Danish telecom vendors and other sub-suppliers and stakeholders.
