

Side event of the 85th meeting of the Standing Committee

UNHCR's Updated Evaluation Policy 2022

Moderated by Mr. Anthony Garnett, Inspector General, UNHCR

Speakers:

Ms. Kelly Clements, Deputy High Commissioner, UNHCR

Ms. Lori Bell, Head of Evaluation Service, UNHCR

This event provides an opportunity to hear about how the UNHCR is advancing its evaluation work across the organization through the preparation of an updated evaluation policy. The event will outline why the policy is being updated, and the new elements that it will contain. It will also allow member States to provide feedback to shape this important aspect of UNHCR's learning and accountability architecture.

Since the last informal UNHCR briefing of member States earlier this year, three new independent thematic evaluations have been finalized by the Evaluation Service:

- 1) [Age, gender and diversity policy](#)
- 2) [Repatriation programmes and activities](#)
- 3) Support for (national) [asylum capacity development](#)

As time is limited to present the three reports during the side event, member States are encouraged to review them (please see hyperlinks above) and to reach out to the Evaluation Service if there is a specific interest for dedicated briefings.

The updated biannual evaluation workplan 2022/23 is provided [here](#).
